It's A Wonderful Life: A Live Radio Play

Adapted by Joe Landry from the screenplay
by Frances Goodrich, Albert Hackett, Frank Capra, and Jo Swerling

November 5 – December 26, 2010

“The best holiday choice around! The kind of old-fashioned, personalized holiday environment that we all crave but usually fail to find.” –The Chicago Tribune

Inspired by the beloved American holiday classic, you'll become a part of WVLR Radio's live broadcast as actors bring the fateful story of George Bailey to life. Take your seat in the studio audience to relive the beloved tale of regret and redemption told through insightful storytelling, familiar characters, engaging sound effects and musical commercial breaks by the local children's choir. A complete 1940s radio broadcast perfect for the whole family!
